COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

Applicant thanks the Examiner for the Notice of Allowability and the Statement of Reasons for Allowance mailed on August 22, 2011. Without withdrawing the allowed claims from issue, Applicant submits these comments for the record.

Applicants note the Examiner's Reasons for Allowance includes an apparent typographical error, "no obvious improvement" that Applicants believe should read "non-obvious improvement."

In the Statement of Reasons for Allowance, the Examiner made characterizations and assertions about the allowed claims and the art of record. Although Applicant agrees with the Examiner's ultimate conclusions that the claims are patentable, Applicant does not necessarily agree with the Examiner's statement and the characterizations and assertions therein.

Application No. 09/879,983 Attorney Docket No. VON96046C1

Customer No. 25,537

Specifically, the Examiner paraphrased portions of the allowed claims. Applicant respectfully

submits that each of the allowed claims is patentable based on the subject matter defined by the claim

language and the combination of recitations within the claims, and not by the specific paraphrasing

provided by the Examiner.

Furthermore, it is understood that the Examiner's characterizations were for purposes of referring

to the prior art, and do not in any way imply that the claims are limited by words not actually present in the

claims. Therefore, Applicant declines to subscribe to any statement or characterization contained in the

Notice of Allowance and the accompanying Reasons for Allowance.

Should the Examiner disagree with Applicant's comments on the Reasons for Allowance, the

Examiner is invited to contact the undersigned to resolve such disagreement.

If there is any fee due in connection with the filing of these Comments, please charge the fees to

our deposit account 07-2347.

Respectfully submitted,

/David J. O'Neill, Reg. No. 42,953/
